WELCOME TO THE SOUTHWEST DENTAL CONFERENCE!

CELEBRATING OUR 98TH YEAR

The Southwest Dental Conference is the meeting of choice for quality professional development, offering innovative educational opportunities with our signature atmosphere of tradition, hospitality and camaraderie.

It is my pleasure to welcome you to the Southwest Dental Conference! This year is a particularly special celebration as we commemorate the Conference’s 98th year as a premier dental meeting. We invite you and your team to celebrate with us as we gather with the meeting’s theme “Elevating Dentistry: Excellence, Expertise and Evolution.”

During the Conference, you’ll have the chance to engage in enriching sessions and hands-on workshops designed to elevate your practice. We are proud to present an outstanding lineup of speakers who will provide you with the latest techniques and advancements in dentistry, with courses available for every member of the dental team. Included will be Dr. Robert Margeas and Dr. Robert Ritter sharing their expertise on restorative dentistry, Dr. Tieraona Low Dog speaking on nutrition and its role in dentistry, and Mr. Steven Anderson presenting practice management lectures. That’s only to name a few of the many esteemed speakers that will be presenting!

Connection is key for evolution and excellence in any field, especially dentistry. We aim to cultivate meaningful bonds amongst the dental community, while providing an environment that encourages learning. The Southwest Dental Conference will deliver opportunities for you to network with peers, share experiences and build lasting relationships.

We have many returning and new vendors exhibiting at our Conference, so be sure to check out the two-day Exhibit Hall, where you will discover innovative products and technology that can transform your practice.

We have a great Conference prepared for you and hope you will join us as we embrace our theme of Elevating Dentistry! Registration will open in March, but save the dates now for August 22-23, 2025 for the 98th Southwest Dental Conference. We are looking forward to seeing you at the Hilton Anatole Dallas!

Sincerely,

TIPS FOR REGISTERING ONLINE:

- 1) If you begin online then close out without making any payment, your progress will not save; so print out the registration brochure and have everyone select classes BEFORE starting your team's online registration.
- 2) Note when registering a dentist's staff that only dentists are ADA Members. There is no reduced pricing for a Member's staff.
- 3) Multiple people can be added to registration, sharing the same credit card. While in the initial person's account, look for the red button that says "Add Attendee" or the pull down menu subheading that says "Add registrant."
- 4) Select your courses early! In previous years, popular courses have sold out as early as mid-June. Class sizes are dictated by fire marshal regulations and larger classrooms are generally not available.
- 5) We stand by our cancellation/refund policy: No refunds are given after the stated deadline of July 25 regardless of reason including, but not limited to, death, illness or acts of God.

PREREGISTRATION MATERIALS

Badges and tickets are sent to U.S. registrants by mail. Materials for those outside the U.S. are held for pickup at the On-site Registration Area. Each registered person receives a personalized packet of materials. Obtain an on-site meeting program and other important information at the Welcome Center when you arrive.

CORRECTIONS/CHANGES/ADDITIONS

Corrections, changes and additions are processed at no charge after original registration has been submitted. Online registrants may make certain changes to their information and add classes through the website (swdentalconf.org). You cannot cancel registrations on the website. You may also mail corrections, changes and additions to the registration company. Indicate the ID number shown on your name badge.
